GREYHOUND

ARE YOU MY FRIEND?

When I am down, will you cheer me up? When I tell you a secret, can I be sure it will stay a secret? When I sit in a corner by myself, will you come over and drive the loneliness away? When I say something serious and everyone laughs at me, will you know my feelings are hurt and stand by me even though you want to laugh too? If my favorite pet dies, will your shoulder be there for me to cry on? Will you be my friend even though I don't wear pretty clothes or have a lot of money to spend? If I am insecure about something or someone will you give me confidence and courage enough to overcome my insecurity? Can I be sure that the smile you show me does not turn into a look of disdain when my back is turned? When I am angry, will you help me to laugh away my anger? Can there be moments of silence between us with no hostilities or awkwardness but only understanding? Will you show me my faults and help me to correct them? Can you understand that a smile from a true friend can make a whole day seem brighter? Can you realize that your friendship means much more to me than anything money could ever buy? Can you give me faith in myself? But most of all can I have faith in you? If you can answer all these questions with "Yes", Then I say to you, "Yes" you are my friend.

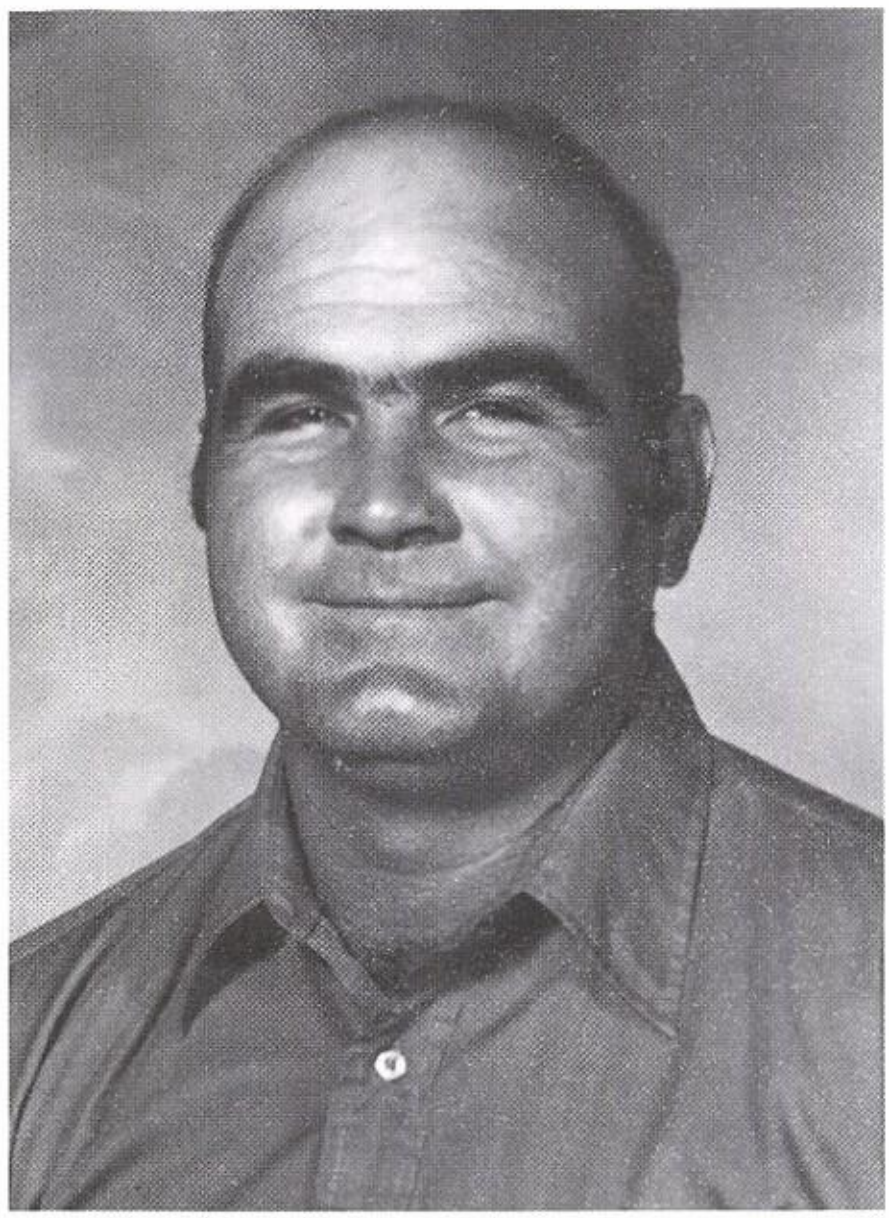
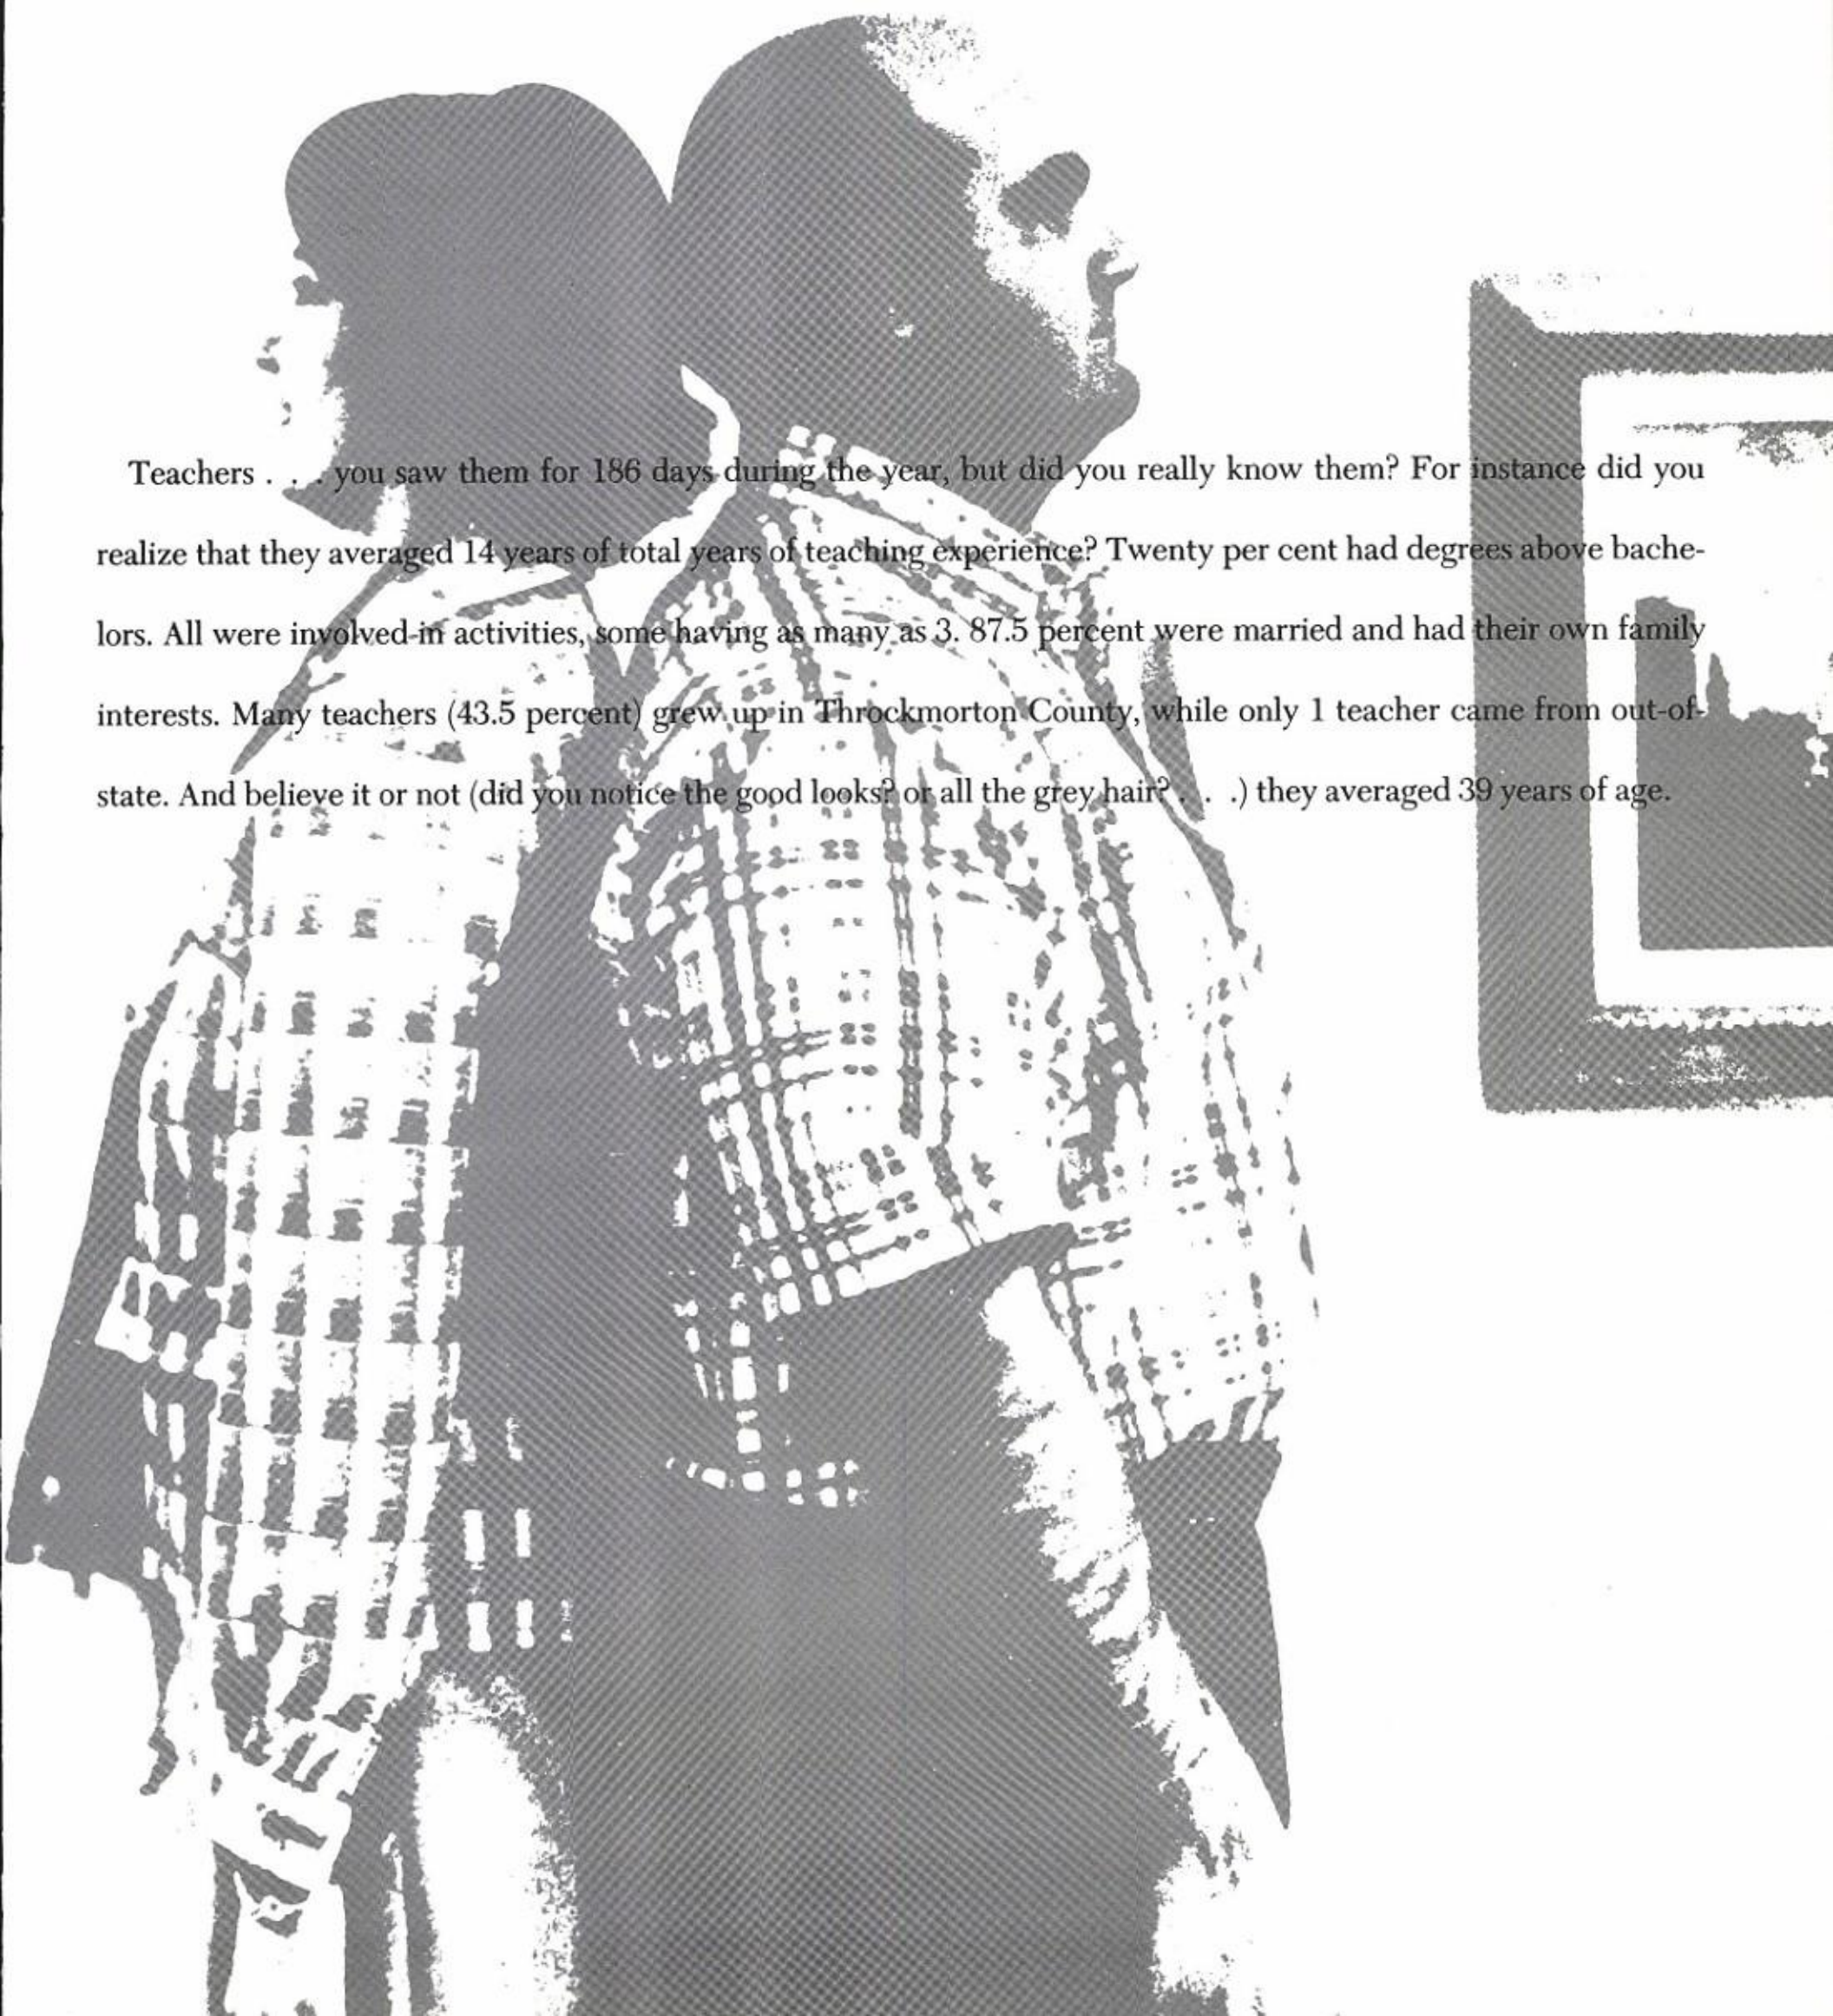
Greyhound Dedication

The Annual Staff of Throckmorton High School proudly dedicates the 1979 Greyhound to Coach Maurice Walker. Coach Walker began employment with Throckmorton I.S.D. in 1973 as assistant coach. Later on in 1976 he became head coach until 1978, when he resigned. He has served as football coach, boys physical education teacher, girls basketball and track, and boys track. He also taught Jr. High Science and History. In this time many students have grown to respect and confide in him in time of need. He has taught us that through athletics we can grow in maturity and learn to have *Pride* in ourselves and what we stand for.

Coach Walker and his wife, Barbara, have a son, Reece and a daughter, Rebecca.

We dedicate this annual to Coach Walker because of his patience, understanding, and support.





Teachers . . . you saw them for 186 days during the year, but did you really know them? For instance did you realize that they averaged 14 years of total years of teaching experience? Twenty per cent had degrees above bachelors. All were involved in activities, some having as many as 3. 87.5 percent were married and had their own family interests. Many teachers (43.5 percent) grew up in Throckmorton County, while only 1 teacher came from out-of-state. And believe it or not (did you notice the good looks? or all the grey hair? . . .) they averaged 39 years of age.

Annual panic

'Twas the day before
deadline
And all was not right,
Not a creature was
stirring,
Not even a mite.
We editors screamed
At the top of our lungs,
"Sponsor! Dear sponsor!
What can be done?

We can't find the
pictures,
The photographers are
gone,
The dark room is flooded
—
This just can't go on!"
Late into the night
We worked (until day).
Got the annual finished,
And sent it away.

Throck Golfers Win State Title

The Throckmorton Greyhound Golf Team won its third straight state championship last week in Austin. The state meet was played at the Jimmy Clay Golf Course Thursday and Friday.

After 18 holes of golf on Thursday, the Greyhounds were in first place. Booker was in second place, 16 strokes back and Saint Jo was third.

Friday's round started 37 minutes late because of lightning and was delayed for approximately three hours at noon when lightning forced all participants to return to the safety of the clubhouse.

Greg Scarlett, son of Mr. and Mrs. Henry Scarlett, shot rounds of 78-80 for a two day total of 158 which won him medalist honors for the third straight year. Scarlett is a senior.

Terry Barrington, son of Mr. and Mrs. Eddie Barrington, is the only other senior on the team. He shot 82-96 for a total of 178.

Rob Neely turned in scores of 88-93 for a total of 181. Neely, a junior, is the son of Mr. and Mrs. Bob Neely.

John Wilson shot 96 on Thursday and 89 on Friday for a total of 185. Wilson, the son of Mr. and Mrs. Rufus Wilson, is a junior.

Don Davis, a freshman, shot rounds of 85-91 for a total of 176. Davis is the son of Mr. and Mrs. Billy Don Davis.

The Greyhounds as a team shot 333 on Thursday and 360 on Friday for a two day total of 693, winning by 46 strokes over Darrouzett, who came from behind to take second with 739. Booker was third with a team total of 745.

Each team member was presented a medal and the team received a first place trophy. Scarlett was also presented a medal for winning medalist.
